

HHYC General Meeting

April 14th, 2026

Attendees:

Rick & Kim Nolte	Gary and Karla Wood	Dennis Kroeger Brynn S	Steve Kaimmer	
Bart & Brenda Kooyman	Suzy Hoffman	Vic & Kari Portolese		

Call to Order: Rick Nolte 6:35

Celebrations: March birthdays, Victor and Karla. Brenda's BD is the 4/18

Previous Minutes: Reviewed and accepted last month's minutes

Treasurer Report: Rick presented a high level report based upon info sent from the treasurer. The end of March bank balance, including checking and the CD was \$14,815.79.

Fleet Captain Report: Kim reported that our next big event will be the Kingston Cruise, she read the details from the recent Harbor Lights about that. She told folks about the change in the final stop on the Commodore's Cruise to Genoa Bay and mentioned there will be a private HH Bar B Que on our final night, Sunday 7/19 at Brentwood Bay.

Quartermaster Report: Suzy delivered the clothing to those that were here. No more clothing items this year. We are going to have a hard goods order for travel tumblers and for ceramic coasters. Samples of the coasters were shared; orders for those in person were collected.

Safety Officer: Gary spoke about if you're coming into the lake from the sound via the locks. If it's super foggy you should put someone on the bow to motion broadly with their arms. There was discussion about whether this was reasonable, as in a dense fog it might not be visible at all. When leaving a marina, to alert other watercraft people that you're coming, you should give one long blast (4 seconds) on the horn.

Commodore Report: Rick issued a 50th Anniversary trivia contest with 10 questions. It was challenging! Victor and his team were the winners of a \$25 Fisheries GC!

Membership/Recruitment: Kim shares that she's created an info piece on HH as well as purchased some 50th anniversary give-away stickers to share at Opening Day Friday. She has also created 2 new 50th Anniversary HH Banners. She is looking for volunteers to help with representing HH to share info and do some recruiting. Karla Wood has offered to help.

Adjournment: Gary motioned that we adjourn the meeting and Bart seconded it. Meeting was adjourned at 7:37 PM.
