Previous Minutes: Reviewed and accepted last month's minutes. Kim presented minutes on Terry's behalf.

Treasurer Report: Wendy reported \$13,456.72 in combined accounts (checking – 6,149.90, CD – 7,306.38). All bills have been paid to date. We will have money coming in for delivered clothing, tumblers, and coasters.

Fleet Captain Report:

-Bremerton Bridge Blast is approaching in a little over two weeks. We have 19 boats, with one slip left. Terry and Dane are hosting, Bart & Brenda cohosting. We have extended an invitation to Day Island to join us for our Friday night wine tasting and a giant Charcuterie board. Saturday activities include an optional lunch at the Boat Shed via dinghies, a taco bar on the dock, and finally, the firework display. Sunday is on your own. Communication will be sent out soon.

-Commodore's Cruise: Kim has created a spreadsheet documenting our ports and all participants at each port. She has gathered the information from the HHYC website. So, if you are participating in any port, please sign up on the website so you can be included. The spreadsheet will be sent to all participants soon.

Commodore's Report: Rick stressed participation, participation, participation... He mentioned that the Ball is at the end of October (10/30/26). He said we have 22 rooms reserved and HHYC would pay for parking. Please sign up on the website. Communication will be sent out in the next week or two.

Vice Commodore: Steve, Rick, and Tom golfed earlier in the day. The report is... Tom WON!! He golfed well, Rick and Steve not so well. Theory is... they were too sober. (HaHa). Steve said the Kingston rendezvous was GREAT! The food was delicious. And, we had a safety discussion that was well attended by the group with a lot of topics discussed. Each boat has different requirements so safety plans will need to be customized. He also stressed participation and encourage everyone you talk to as well.

Clothing: Suzy delivered clothing and tumblers to all that ordered them. Vic handed out coasters to all that ordered. Please pay the HHYC Treasurer via Zelle for your products. Note: Wendy cannot see the comments added on the Zelle payment so text or email Wendy to give her a heads up.

Suzy has a few extra pieces of clothing and extra tumblers for purchase. She will not order additional products again unless we have 24 pieces.

Trivia Answers: There was a trivia game with 15 random questions spanning 50 years of HHYC existence. Vic and Kari were the winners of a \$25.00 gift card to Fisheries with 11 correct answers.
